THE REFUGE CART

We have 3 small but mighty carts! They come with a full menu of espresso, coffee, and tea drinks. You can book just one cart or all three. All drinks are available hot or iced — and are designed to travel and fit in just about any space. We can do an open-bar service where people can get as many drinks as they'd like during our service time. Our carts are great for smaller events. They can fit in an elevator, break room, or a home patio.

The Cart

The cart has a minimum of $600 for 2 hours

Price includes a full menu and everything for up to 100 drinks

Each additional hour is $125 and each additional drink is priced at $5

Premium pastries

We can also provide fresh, local premium pastries at $5 each.

Serving trays, paper plates, napkins included.

Every time you hire one of our trucks, trailers or carts you are providing wages for a full or part-time job for a resettled refugee or immigrant who is part of our job training program.
